WORKING CREDENTIALS: All credential requests should be directed to the Baylor Sports Information Office at least five days prior to home games. Media credentials are issued on a priority basis with daily newspapers, originating radio and television stations and television tape crews receiving top priority.

All requests should be written on official letterhead. After Tuesday preceding the game, credentials will not be mailed. They may be picked up at the Will Call window on the west side of Baylor Stadium.

Members of the media should plan on making their own credential arrangements for away games.

PHOTO PASSES: Only photographers on assignment from a periodical will be given credentials. NO FREE LANCE PHOTOGRAPHERS ARE ADMITTED TO THE SIDELINE OR PRESS BOX. Specify whether sideline or press box photo deck passes are needed. All photographers must have an armband worn in plain sight. Armbands are available in the press box before the game. NCAA rules limit shooting to outside the restraining line enclosing the playing field and outside the 30-yard lines (the team area). Those not complying with the guidelines will be asked to leave the stadium.

PRESS PARKING: Parking passes should be requested with working press credentials. Parking passes are quite limited and will be assigned on the same priority basis as press and photography passes. The press parking lot is located directly below the press box entrance on the west side of the stadium.

BAYLOR UNIVERSITY

Baylor University, founded in 1845, is the oldest university in continuous existence in Texas. First chartered by the Republic of Texas, Baylor has grown from a one-teacher, one-building school at Independence, Texas, to become the largest Baptist University in the world.

The University, under the motto, "Pro Ecclesia, Pro Texana" (for church, for state), was named after Judge Robert Emmett Bledsoe Baylor, supreme court justice of the Republic of Texas. Baylor, a veteran of the War of 1812 and member of the Kentucky Legislature before moving to Texas, founded the University along with the Rev. William M. Tryon, a native of New York City who became chaplain of the Congress of the Republic of Texas, and the Rev. James E. Huckins, native of New Hampshire who became principal of the first public school to be opened in Texas at Galveston.

These three men had a dream that came true—to establish a Baptist University where their children would be well-educated in a Christian tradition.

Today, Baylor is 10,400 students strong and is regarded as one of the outstanding major universities in the country. It is located off Interstate Highway 35 on the banks of the Brazos River in Waco, a city of about 100,000 persons in Central Texas. It's about half the distance between Fort Worth-Dallas and Austin.

Baylor offers 50 major areas of concentration and approximately 35 different degree programs. Baylor is comprised of the College of Arts and Sciences and six schools: business, education, graduate, law, music, and nursing. Baylor also operates the Medical Center in Dallas and has an affiliated unit for education in health care at the Academy of Health Sciences in San Antonio.

As a member of the Southwest Conference, the Baylor Bears play exciting basketball in the Heart O' Texas Coliseum. Also offered are football, track, baseball, tennis, golf and others.

Several special features of Baylor have made it unique and nationally renowned. Each spring All University Sing, a grandiose musical production involving Baylor clubs, attracts packed audiences in Baylor's Waco Hall. Also in the spring, Bear Downs, an annual 30-mile bicycle race, is sponsored to raise money for scholarships by Baylor Student Foundation, an organization of students who work in the areas of public relations, student recruitment and development.

Baylor offers a lot without costing a lot. Its tuition fees are among the lowest in the nation for private schools, and its financial aid program is the highest volume program in the Southwest, based on per capita enrollment. Also, Baylor employs more students in on-campus jobs than any other school in the Southwest.

1984 BAYLOR FOOTBALL OUTLOOK

IN GENERAL—At first glance it would appear that Grant Teaff's Baylor Bears enter the 1984 football campaign with plenty of reasons to be optimistic. After all, only 16 lettermen departed from 1983's team that went 7-4-1 and ended the season New Year's Eve in the Bluebonnet Bowl.

Add to that the fact that nine full-time defensive starters return (not to mention 13 others that started at least one game due to injuries), the revamped coaching staff has proven itself and the new offensive and defensive formations have had a year to get the kinks worked out, plus Baylor would look like a strong contender for an upper-division finish in the powerful Southwest Conference.

But, as the saying goes, things aren't always what they appear to be. Teaff does have lots of plusses going into his 13th season at BU, but he's been in the coaching profession long enough to know that the Bears have some big hills to climb before they can start making post-season bowl plans.

Right off the bat, Teaff must find replacements for a group of skill people who accounted for 72 percent of Baylor's total offensive production in 1983. It's hard enough to replace a 1,000-yard rusher OR 1,000-yard receiver, but Teaff has to find replacements for both Alfred Anderson, who rushed for 1,046 yards in ten games and all-American Gerald McNeil, who had 1,034 yards in pass receptions.

Teaff must also find replacements for fullback/quarterback Allen Rice, who gained 412 yards rushing but was even more valuable as Baylor's short-yardage quarterback. He converted 79 percent of the Bears' third- and fourth-down situations in 1983.

Also gone is speedster Bruce Davis. He caught 42 passes for 755 yards and doubled as a dangerous kickoff returner as evidenced by his 99-yard return against SMU for a touchdown.

The man who paved the way for many of the yards Baylor gained last season is also gone, that being all-America tackle Mark Adickes. He left Baylor after the Bluebonnet Bowl to sign the largest pro contract ever by an offensive lineman.

It is apparent most of Baylor's losses came on the offensive side of the football. Teaff concedes it would be asking the impossible to duplicate the offensive production that led to school records for passing yards, first downs, touchdowns, points and conversions last season. Yet he isn't ready to say the cupboard is bare either.

"The overall offensive firepower won't be the same because of the skill people we lost," Teaff said. "But that's not to say we don't have some good athletes ready to emerge. I feel good about our backs as a group. And the receivers should be able to get the job done. The offensive line will be young, but they are players who have come up through an extensive redshirting program. They've had time to develop."

"If you wanted to start building an offense you'd want to do it with a proven quarterback, and we have two," he continued. "That's a big, big plus. Another positive thing we have going for us is the overall depth and experience we return on defense. Last year it was a curse to have so many defensive people hurt, but now it's a blessing because we've got 22 players who started back. Our defense needs to be much better this year and it should be."

In a nutshell, Teaff rates his team's strongest suits as the quarterbacks, linebackers, defensive tackles and defensive ends. The running backs should be more than adequate, although there is no established star. And the receivers and defensive secondary need to develop by the time the season opens Sept. 8 against Brigham Young in Provo.

And speaking of Brigham Young, that contest opens a murderous stretch of games. In addition to playing the Cougars after being the only team to beat them last year, the Bears must go to Norman to take on Oklahoma and then to Lubbock to play Texas Tech. It will be Oct. 6 before Baylor finally gets a home game, that being against Houston.

"I don't like the schedule," Teaff stated flatly. "But those are the cards we've been dealt. We have to live with it. Making it all the more difficult is the fact that we play a team with one of the best passing attacks in college football one week and then play a wishbone team (Oklahoma) the next."

POSITION-BY-POSITION

QUARTERBACK—Baylor coaches shocked the football world last season when they implemented a two-man quarterback shuttle for normal offensive situations and then inserted another signal caller in short-yardage plays. Despite the fact nobody said it would work, it did, and proved to a key in the Bears' fine season.

Cody Carlson finished the season ranked fourth in NCAA passing efficiency (the highest freshman by far) and was first in the Southwest Conference. He was named the league's Offensive Newcomer of the Year and made first-team all-SWC along with teammate Tom Muecke in one poll. Muecke was no slouch as he finished the year ranked second in SWC passing efficiency.

Both Carlson, who returns as a sophomore, and Muecke, a junior, had excellent springs. So good were their performances they will enter the fall again listed as co-starters. The BU squad showed its support of the pair by electing them co-captains. "I've never had two people at the same position elected captains before," Teaff said. "That indicates the kind of respect they have from their teammates. They are two of the finest I've ever been associated with, both in ability and leadership."

Teaff has indicated he might alter the shuttle system this fall, alternating the QBs by quarters rather than plays or series. Regardless how he plays them, Teaff feels good about having two all-conference quarterbacks to pick from.

A question just as important as how the quarterbacks will play is whether or not Teaff will insert a third quarterback in short-yardage situations. Early indications are that he will, simply because Ron Francis, a defensive back turned tailback, is such a good athlete.

Francis started in Baylor's defensive backfield two years ago as a freshman and played so well Teaff projected him as a future all-SWC cornerback. But last year he had to take a redshirt year while getting his academic standing in order. While a redshirt he played on the scout team in a variety of positions. One day he dropped back to throw a halfback pass, and Teaff was struck with the idea that he might make a good quarterback. Teaff's hunch proved to be a good one last spring so Francis will enter two-a-days with a solid shot at becoming the Bears' short-yardage QB.

Carlson, Muecke and Francis form an exceptionally talented group of quarterbacks. That's one position that causes Teaff no worry. As he puts it, "You can have lots of problems, but if you've got a good quarterback, you've got a chance. And we have three good ones."

RUNNING BACK—Alfred Anderson and Allen Rice left some mighty big shoes to fill at their tailback and fullback positions, respectively, but Teaff feels he may have a combination of players available to do it. The big surprise of the spring was the emergence of Ron Francis at tailback. As mentioned above, Francis wound up getting a shot on offense after starting as a defensive back two years ago. His performance last spring prompted Teaff to say, "Ron has the potential to be special. He's got so much talent. We just wanted to give him the opportunity to see what he could do and he showed us he can handle the job (at tailback)."

As high as he is on Francis Teaff admits the redshirt sophomore might have to share some playing time with another discovery, Derrick McAdoo. It was McAdoo, you remember, who made the most of his college football debut by scoring three touchdowns (including one the very first time he carried the ball) and gaining 85 yards against TCU. The former walk-on emerged from spring drills as the No. 2 tailback.

Another pair of tailbacks should receive considerable playing time. Ralph Stockemer, who gained 301 yards backing up Anderson last season, and Robert Williams, a redshirt junior, will both contribute, according to Teaff.

Broderick Sargent has spent two years backing up Rice and is now ready to emerge as the starting fullback. He averaged a hefty 6.1 yards per carry last year in a limited backup role. The other candidate at that position is Todd Conner, a fireplug-type who is difficult to tackle.

Teaff expects the backfield to be more evenly balanced this season, with four or five backs receiving considerable playing time. He hopes those mentioned above will combine to gain the kind of yards Anderson and Rice did.

WIDE RECEIVER—Baylor's biggest losses may have come in the receiver corps where

all-American Gerald McNeil and all-SWC performer Bruce Davis were lost to graduation. With those two finishing one-two on the conference receiving charts, there just wasn't much room for anybody else to get significant experience.

Bobby Joe Conrad, a steady senior, joins big Leland Douglas as a candidate at split end. Conrad emerged from the spring as the No. 1 receiver, but both should play considerably. Conrad runs great routes and catches anything near him, but he does not have the world-class speed of Davis or McNeil. Douglas is a talented redshirt sophomore who has yet to catch a pass at Baylor.

A hot battle is expected in two-a-days between Glenn Pruitt and Horace Ates for the starting wingback position. Both are talented, big and full of football savvy. Pruitt got the nod in spring training because of his more recent experience backing up Davis. Ates sat out last year getting his academic standing secured.

TIGHT END—Joel Barrett is as talented a tight end as Teaff has ever coached, but has been a little too inconsistent to reach stardom. His size (6-5, 248) helps make him an explosive blocker, and his speed gets him open on pass routes. Teaff hopes his senior year is the one in which he reaches the world of potential he possesses.

Behind Barrett the door is wide open for somebody to emerge. Cary Ward, a redshirt junior who has yet to letter, finished the spring behind Barrett, but more depth at that position is needed.

OFFENSIVE LINE—The Baylor offensive line appears to be in much the same shape as it was at this time a year ago: a couple of proven players are back, but some of the starters and most of the backup people will have to be untested performers. Another similarity is that a new coach is responsible for tutoring the candidates on the line.

The three experienced hands new tutor, F.A. Dry (former head coach at TCU), will build his line around are sophomore John Adickes and juniors Mark Cochran and Brian Camp. Adickes was moved from center, where he made freshman all-American last year, to guard, where it is hoped his explosiveness will be better utilized. Teaff rates his potential similar to that of his brother Mark, who made all-American and signed the largest pro contract ever by an offensive lineman.

Cochran and Camp are the bookends at tackle. Both have come up through the redshirt ranks and now have a combination of experience and maturity. Cochran played guard last season when injuries plagued the line. He should be more at home playing tackle. Camp, who started his first game against Houston last year, proved to be a pleasant surprise. Teaff says he's not flashy, but can get the job done.

The starting center nod after spring drills went to Kyle Lane, a sophomore who played enough guard last year to letter. The guard opposite Adickes will be Joel Porter, a very highly recruited high school all-American who is now a redshirt freshman. Teaff thinks that starting combination is one he can play with.

The reserve offensive front will feature some experience is the form of guards Bill Bateman and Mark Bates. Both played last year when injuries hit the line. The other second teamers coming out of the spring, tackle Jeff Palmer, center Paul Stuart and tackle Terry Hancock, are all redshirt freshmen. Teaff would like to have more experienced players in those backup roles, but admits his extensive redshirt program is beginning to pay dividends. They are, at least, players who have been in the program a year.

DEFENSIVE TACKLE—Three quality fifth-year seniors return to anchor the defensive line. Paul Mergenhagen really developed in '83 when he had to play almost without rest because of injuries to other players. Mergenhagen will undoubtedly be one of the most experienced players in college football. He finds himself in the unique position of being able to win five football letters since an injury forced him to redshirt in 1982 after he had already played enough to win a letter.

Gregg Bomkamp went down in last year's Houston game with a knee injury but returned to play in the Bluebonnet Bowl. He's not quite as big as Mergenhagen, but might be a little stronger on the pass rush. And like Mergenhagen, he's got that extra measure of experience.

Pat Coryatt was to enter his senior season with the highest of expectations, but his future became somewhat uncertain when he went down with a ruptured achilles tendon during an off-season running drill. He missed the spring while in a cast. Early indications are that his

heel will be ready by the start of two-a-days, but only time will tell.

The fourth tackle in Baylor's corral is Steve Grumbine, a big redshirt sophomore with one letter. He's taken his time developing into another solid candidate. There shouldn't be too much drop-off when he's in the game.

DEFENSIVE END—Mention the name Ervin Randle, and Teaff instantly breaks out in a wide smile and starts to speak in glowing terms. Randle, the pride of Mumford, Texas, is as good as any defensive end in the nation, according to the Bear mentor. "Ervin will give you a good feeling about the whole defense. Anytime you've got somebody that good on the field, good things will happen. Ervin is as good as any end we've had here, and we've had some good ones."

While Teaff expects an all-American caliber season out of Randle he's quick to point out that the other end, Derek Turner, is no weak sister. A junior, Turner has worked his way up through the ranks as a walk-on and is now one of Baylor's more aggressive defenders. He proved invaluable last season as a second teamer at both end spots and as a special team member.

Teaff made a big move in the spring by sending tight end Henry Green to defensive end. The results, he said, were like magic for the redshirt freshman. "Henry's found a home," Teaff emphasizes. "He has the disposition of a defensive player. Given time to develop at this new position, he'll be a good one." The other backup end is squad man Kevin Marsh. He's come a long way to move ahead of highly recruited redshirt freshmen Mike Davis and Russell Sheffield, both players with a future.

LINEBACKERS—While he's not ready to say they're as good as the group that led Baylor to a SWC title in 1980, Teaff does say his linebacking corps is as deep as any he's had. Led by middle linebacker Kevin Hancock, the linebackers should be the backbone of the defense. Hancock is a senior three-letter winner who calls the defensive signals. Elected the team captain, he is being looked to for leadership and solid play.

Alan Jamison is another good inside man. He might not have all of Hancock's ability, but he more than makes up for it with intelligence and effort. There is talk that Jamison might be redshirted this year so he can come back in '85 and anchor the defense from the middle.

Sophomore Ray Berry had such a strong spring he won the starting nod as the weakside linebacker. He was pressed into service last year as a freshman and showed enough talent and pure hitting ability to have a promising future. Teaff says that future might be sooner than anybody expects. Don Boeker, one of those overlooked but very steady types, beat out some fine prospects for the No. 2 weakside spot. He's played a variety of positions on defense but appears to have found a home.

Senior John Breit will figure more prominently into the defensive plans, but a knee injury is clouding the picture somewhat. Nelson Huffman, a freshman redshirt, will figure into the linebacking situation somewhere along the line.

ROVERBACKS—One of the biggest question marks entering the 1983 season was the newly created position of roverback in Baylor's 4-4 flex defense. All those worries vanished, however, with the emergence of true freshman Aaron Grant. He wound up the year being named freshman all-American and Defensive Newcomer of the Year in the SWC. He combines the strength and hitting ability of a linebacker, yet has the speed and quickness to cover receivers like a defensive back. He fits the mold of a roverback perfectly.

Grant missed most of spring training; he suffered a break on a nonweight bearing bone in his lower left leg. But Baylor trainers and doctors expect absolutely no problems with the leg in two-a-days. In fact Grant was out of his cast and moving well by the beginning of the summer.

With Grant watching spring ball from the sidelines, Robert Watters stepped in and exerted himself. Like Grant he is a sophomore that likes to hit and is noted for making the big play. He proved he has what it takes late last year when he saw considerable playing time. Things should be pretty interesting at the rover spot in two-a-days, especially considering senior three-year letterman Steve Malpass will also enter into the picture. He's coming off a knee injury suffered in the Bluebonnet Bowl.

CORNERBACK—Eight different players started at cornerback for Baylor last fall, and all but one return. Last year's injuries will make for some interesting battles come two-a-days. Further spicing up the struggle is the fact that both corners, listed as second teamers coming

out of spring football, missed most of the off-season drills because of participation in track.

Thomas Everett appears to be solid at one corner. He started last year as a true freshman, and while he did suffer some growing pains, he had a good enough year to have coaches rate him as a future star. The other starter after spring ball is senior Byron Lewis. He's a good, fast athlete, but has had his share of injuries through the years.

The aforementioned backups who participated in track are Reyna (Ra-NAY) Thompson and Johnny Thomas. Both boast sprinters' speed good enough to qualify them for the NCAA Track Championships in the high hurdles and 200-meter dash, respectively. And they demonstrated as freshmen last year they can earn a little respect on the football field. Anthony Coleman will figure into the cornerback picture as well.

"Going into two-a-days the weakness on our defense is at the corners. But that's not because we don't have any athletes back there. They're just young and need some time," Teaff said.

SAFETY—Both starting safeties at the end of spring training were juniors with talent and experience. Jack Hurd had the makings of a great season going last year before he went down with first one shoulder injury and then another. If he remains healthy, he will be a standout.

The free safety starter looms as Johnny Subia. While not as athletically gifted as Hurd, he has good football intelligence. He comes from a long line of Baylor defensive backs who played quarterback in high school. Bryon Johnson is slated as Subia's backup. He's coming back after spending a year to get his grades in order. The No. 2 man behind Hurd is John Casey. He'll be in a battle with Clark Hood, who is coming off a knee injury suffered in the Bluebonnet Bowl.

KICKER—Teaff has vowed that he will try to rely on one kicker this season rather than picking the man with the hottest hand as he did last year. Three kickers, all with experience, went through spring training with every kick being charted. Marty Jimmerson, Ben Perry and Jim Mueller will continue their battle this fall with the starter's job in the balance. The history of all three kickers has been one of ups and downs, so Teaff is hoping for one to emerge as a leader.

PUNTER—Buzzy Sawyer is back after doing all of Baylor's punting last season. After getting off to a somewhat slow start, he finished the season in pretty good form. He does need to become more consistent, but showed signs of developing that consistency in spring training, according to Teaff.

GRANT TEAFF
Baylor Head Coach

For all the success Grant Teaff has had in his 12-year career at Baylor, no season might have proved his ability to coach better than the 1983 campaign. Picked eighth in the pre-season polls, suffering an incredible string of injuries, playing out of new offensive and defensive formations and doing it all with a coaching staff virtually revamped from a year ago, Teaff put together his fifth seven-win season at Baylor.

And did it in fine style as his Bears displayed explosiveness and balance like few teams in Southwest Conference history have. Teaff's Bears set school records for first downs and scoring. The team featured only the SWC's second ever 1,000-yard rusher and 1,000-yard receiver combination. And other individuals wrote their names throughout the conference record book.

Baylor faithful have almost come to expect as much out of Teaff's Bears. After all, he's been through all this before.

Teaff took over a Baylor program some said should drop out of the Southwest Conference in 1972. The Bears' 20th head coach inherited a team with a dismal 3-28 record in the three years before he arrived. But worse than the losing record was the poor image the program held.

Teaff immediately went to work by crisscrossing the state to address groups of Baylor supporters wherever they gathered. He instilled a winning attitude in the Bear faithful and it spilled over onto the football field. The first squad put together a 5-6 record and came very close to earning a bowl bid. Only 13 points kept those Bears from a seven-win season.

The man from Snyder won SWC Coach-of-the-Year honors in 1972 and he repeated the feat two years later when his Bears produced what was called "The Miracle on the Brazos" as they won the school's first league title in 50 years and went to the Cotton Bowl for the first time. After the 1974 season, Teaff was not only tabbed as the conference's top coach, but received National Coach-of-the-Year laurels, too.

The 1979 and '80 seasons were other Teaff success stories. In '79 he took a team picked near the bottom of the SWC and finished the year with an 8-4 record and a Peach Bowl win over Clemson. Again, Teaff was named the conference's Coach-of-the-Year.

Experts picked the 1980 Bears sixth and that's where they finished the regular season. But instead of being sixth in the SWC, they were sixth in the nation, and had a 10-1 record to back it up. Baylor went 8-0 in the league, breaking 28 school records in the process. Teaff was again the SWC Coach-of-the-Year.

Baylor's second-winningest coach (behind Morley Jennings' 83-60-6 mark for 15 years) now stands at 67-64-5. He is 109-110-7 overall. With 12 seasons under his belt, Teaff can lay claim to the title of dean of the SWC coaches.

Teaff played two years of junior college football at San Angelo College and was an all-Texas Conference linebacker at McMurry College in Abilene. He was a multi-sports letterman at Snyder High School in West Texas. He captained teams at all three levels.

Teaff entered the coaching field at Lubbock High as an assistant coach. His alma mater, McMurry, then called him and he took the job as the nation's youngest head football coach. After a successful stay he went to Texas Tech as recruiting coordinator and assistant football coach. His next move was to Angelo State where, in three years, he posted a 19-11 mark, including a 7-3 record in 1971.

In 1972 he was called to Baylor to begin the challenge of his life. Bear football hasn't been the same since.

Teaff's coaching philosophy places emphasis on personal development of the individual athlete and motivation to gain maximum performance. He has coached ten Baylor players to first-team, all-American status and dozens more to all-SWC honors.

Nine assistant coaches have left Teaff's BU staff, and all but one have gone on to become head football coaches somewhere on the college level. Recently John O'Hara took over the reins of the highly successful program at Southwest Texas State. Before the 1982 season Bill Hicks became the head coach and athletic director at Howard Payne, and Corky Nelson took the head job at North Texas State. Dal Shealy (Richmond), Bill Yung (West Texas State, UT-El Paso), Ron Harms (Texas A&I), and Pat Culpepper (Northern Illinois) left earlier after training under Teaff.

One of the most respected coaches in America, Teaff is a member of the NCAA rules committee and is the chairman of the American Football Coaches' Association ethics committee.

Teaff is highly regarded for his speaking ability and is one of the nation's most sought-after speakers. He is recognized widely for his speeches on motivation to reach one's full potential. Teaff is one of the country's top football clinic speakers as well. He's active in the Fellowship of Christian Athletes, and has served on the board of directors.

Teaff and his wife, Donell, a former Texas Tech cheerleader, have three daughters. Tammy and Tracy are both Baylor graduates while Layne currently attends Baylor.

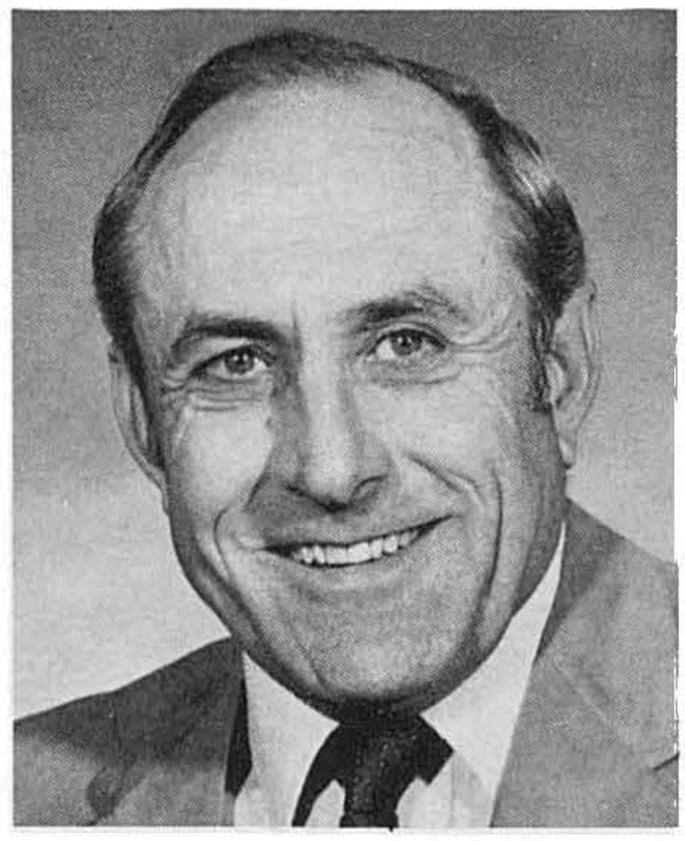
BAYLOR STAFF

COTTON DAVIDSON
Assistant Head Coach
Quarterbacks and Receivers



Cotton Davidson, a member of the Baylor Athletic Hall of Fame, is beginning his second season as Baylor's assistant head football coach.

Davidson, a Baylor assistant coach since 1972 when Grant Teaff accepted the head job, has playing and coaching experience at every level.

Born on November 30, 1931, in Gatesville (where he currently resides), Davidson was a multi-sport standout there and graduated in 1949.

Davidson, 52, earned three football and two baseball letters from 1951-53 at Baylor. Davidson lettered at safety on Baylor's 8-2-1 team in 1951 while backing up all-American Larry Isbell at quarterback. He started at quarterback in 1952-53, completing 127 of 312 passes for 1,871 yards and 11 TDs. He served as co-captain of the West team in the Shrine East-West Classic at San Francisco and participated in the College All-Star game in Chicago. Davidson graduated from Baylor in 1953.

Drafted No. 1 by the Baltimore Colts, Davidson started three games as a rookie in 1954. In 1959, Davidson quit football and followed coach John Bridgers to Baylor to help install the Colt offense.

With the formation of the American Football League in 1960, Davidson joined the Dallas Texans. He started for two years and later made the AFL all-star team, winning MVP honors after tossing four scoring passes. From 1962-1970, Davidson was a member of the Oakland Raider organization as both a player and coach. During his career, Cotton played for such legendary coaches as Hank Stram, Weeb Eubank and Al Davis.

Davidson rejected an offer to become the offensive backfield coach at Oakland when Teaff called in 1972. He has been in charge of Baylor's passing game since and has tutored all-Southwest Conference quarterbacks Neal Jeffrey, Jay Jeffrey, Cody Carlson, Tom Muecke and all-SWC receivers Charles Dancer, Gerald McNeil and Bruce Davis. Last fall, Baylor set a school record in passing yardage - 2,468 (224.4 yards per game).

Cotton married Carolyn Mabry on June 5, 1954, in Breckenridge and the couple has four children: Tommy, 28, a former Baylor split receiver, Kelly Wood, 26, Tracy, 24 and Ty, 19. Tommy was named to Baylor's all-decade team of the '70s.

DUKE CHRISTIAN
Offensive Coordinator

Last year Baylor scored more points, piled up more first downs and covered more ground through the air than at any other time in Bear history.

One of the chief reasons was the guidance of Duke Christian.

Christian arrived on the Baylor campus in 1979 to take charge of BU's running game. When John O'Hara left his offensive coordinator's position after the 1982 season, Baylor Head Coach Grant Teaff promoted Christian.

Christian, 42, came to Baylor after a successful head coaching stint at Southeastern Oklahoma State University in Durant, Oklahoma.

Born December 20, 1941, Christian was raised in Oklahoma City. He graduated from Grant High School in 1959. In 1963, he received his bachelor's degree from Southeastern and a year later his master's from the University of Oklahoma. Christian completed work on his doctorate at Oklahoma State in 1974.

Christian was a graduate assistant at OU during the 1963-64 seasons. He took an assistant's post at Southeastern in 1964. Christian was elevated to the head spot in 1971, a position he held until 1978.

In 1976, Christian led Southeastern to its first conference crown in 29 seasons and was named NAIA District 9 Coach of the Year.

Since coming to Baylor, Christian has coached all-Southwest Conference performers Jay Jeffrey, Walter Abercrombie, Dennis Gentry, Tom Muecke, Alfred Anderson and Cody Carlson. In 1983 the Bears became only the second team in Southwest Conference history to boast a 1,000-yard rusher (Alfred Anderson) and receiver (Gerald McNeil).

Duke married Pat Hutton on June 12, 1965, and the couple has three children: Janea, 16, Ty, seven and Blake, six.

PETE FREDENBURG
Defensive Coordinator
Defensive Line

The chief of Baylor's defensive fortunes for the second season is 38-year-old Pete Fredenburg.

Fredenburg joined the Bear staff in August 1980 as a part-time defensive end coach. He was elevated to full-time status and began defensive line coaching duties when Bill Hicks became the head coach and athletic director at Howard Payne University in January 1981. When Billy Mills left BU's defensive coordinator's position after the '82 season to enter private business, Grant Teaff promoted Fredenburg to that post.

Born September 15, 1946, at Lubbock, Fredenburg was raised in Clifton and graduated from Clifton High in 1965. He attended college at Southwest Texas State University in San Marcos and played football from 1965-1969. Fredenburg was a two-year starter at SWTSU.

In 1967 the Bobcats were nationally ranked. While at Southwest Texas, Pete was a member of Kappa Sigma and was chosen Chi Omega Beau. He was also selected all-college favorite and made the dean's list. Pete graduated from Southwest Texas in 1970 and earned his master's there in 1977.

Before coming to Baylor, Fredenburg held high school jobs at Canyon, New Braunfels and Giddings. He was head coach two years at Giddings and guided the Buffaloes to a pair of 6-4 seasons.

Since becoming a member of Teaff's staff, Fredenburg has coached Charles Benson and Max McGeary to all-Southwest Conference honors. Benson also earned all-America status.

On July 12, 1969, Fredenburg married Karen Buckner at League City. They have three children: Kori, nine; Denver, seven and Cody, three.

F.A. DRY
Offensive Line Coach

Coaching the Baylor offensive line for the first time is F.A. Dry, who came to Baylor in April of this year.

Dry, former head coach at Tulsa and Texas Christian Universities, replaced Eddie Williamson, who resigned at Baylor to accept a similar position at the University of Georgia.

A native of Fairland, Oklahoma, Dry earned 11 letters and received honorable mention as an all-state in football before enrolling at Oklahoma A&M University, later to become Oklahoma State. He won all-conference and all-America honors at Oklahoma State as a center and linebacker and received his bachelor's degree there in 1953. He later earned his master's at OSU.

After serving in the U.S. Army, Dry coached in the high school ranks for five years before joining Glenn Dobbs's staff at the University of Tulsa as offensive line coach. Dry became TU's offensive coordinator in 1964 and the Golden Hurricane responded by going 9-2 and 8-3 the following season, including two straight Bluebonnet Bowl appearances.

TU's 1964 team led the nation in total offense, passing and scoring while the 1965 team led the country in total offense and passing.

Dry's professional coaching career began in 1966 when he left his offensive coordinator's job at Tulsa to become offensive line coach with the Houston Oilers. He coached on Houston's 1967 American Football League Eastern Division championship team.

Dry became the head coach at Tulsa midway through the 1972 season and later was elevated to athletic director and head coach. The Golden Hurricane, starting with the 1973 campaign, reeled off four straight Missouri Valley Conference championships under Dry. TU was 6-5 in 1973 followed by 8-3, 7-4 and 7-4-1 seasons. He was named MVC Coach of the Year three times while compiling a 31-18-1 record at Tulsa.

TCU hired Dry prior to the 1977 season and he was the head man at Fort Worth through 1982. At TCU, Dry posted a 12-51-3 overall record.

Dry entered private business after leaving TCU, but returned to coaching when Baylor called.

Dry and his wife Jan have three children. Diane is a 1979 University of Tulsa graduate while Mike was a football letterman for his father at TCU. The youngest is Becky, age 18.

JOHN GOODNER
Linebackers

John Goodner, who will head Baylor's talented and experienced linebacking group this fall, is in his third year on the Baylor staff.

Goodner joined the Bear staff July 15, 1982, replacing linebacker coach Corky Nelson, who moved on to the top spot at North Texas State.

Goodner, 40, was born February 26, 1944, in Snyder, Oklahoma. He was raised in Frederick, Oklahoma, and attended Frederick High. He graduated in 1961 after earning nine letters in football, basketball and track. Goodner starred at quarterback and linebacker and was a 1960 Oklahoma all-state pick.

He played three years, 1964-66 for Otis Delaporte at Southwestern Oklahoma State University in Weatherford. In 1966, Goodner was selected all-conference linebacker. He earned his bachelor's and master's degrees from Southwestern State in 1967 and 1973.

Goodner's first coaching job was at Noble High School in 1971 in Noble, Oklahoma. In 1973, John moved to Denison High School as head coach and stayed there through 1975.

Goodner took the head coaching job at Waxahachie High School in 1976. In six years with the Indians, he led the school to two district crowns (1977 and 1980).

Goodner and wife Karen were married on June 30, 1967, in Frederick. The couple has one daughter, Katherine, 16.

MARK HATLEY
Defensive Secondary

Beginning his second season as BU's secondary coach is 35-year-old Mark Hatley.

Hatley joined the Baylor staff on January 1, 1983, after spending six years on F.A. Dry's staff at TCU. He coached freshman Aaron Grant to second team all-SWC and SWC Newcomer of the Year honors last fall.

Hatley was born on September 19, 1949, in Borger but was raised in Phillips. He graduated from Phillips High School in 1968 and was a three-sport letterman there (football, basketball, track). Hatley was an all-state linebacker and fullback in 1966 and 1967. He also earned high school all-America honors for coach James Harris.

From 1969-71, Hatley lettered in football at Oklahoma State for Floyd Gass. He played fullback and linebacker in college and received his bachelor's degree in 1973.

Hatley worked with the freshman team at OSU in '73 and stayed with the Cowboys through the 1976 season as an assistant. He then moved to Tulsa as secondary coach.

In 1977, Hatley left Tulsa with Dry for TCU. He served five years as Horned Frog secondary coach before moving to the offensive side of the football in 1982 as running back coach.

Hatley married Claudia Martin on June 27, 1974, in Tulsa. The couple has one child, Eliza, age nine.

ROBERT JAMES
Defensive Ends

Robert James, 45, is in his second year as Baylor's defensive end coach.

James joined the Bear staff in July, 1983, after leading Gainesville to three consecutive state play-off appearances. He also served as head coach at Lamesa and San Antonio MacArthur High Schools. James compiled a 103-37-4 record at the high school level.

At Lamesa, James directed the Golden Tornadoes to a district championship in 1972 and a berth in the AAA semi-finals the following year. He then became head coach at MacArthur. The Brahmas were regional finalists in 1975. James served as regional director of the Texas High School Coaches Association in 1975-76.

James left San Antonio for the University of New Mexico, where he coached both the offensive and defensive lines. He then returned to Texas to accept the Gainesville job and won district coach of the year honors three consecutive years.

James began his coaching career as an assistant at Winters and Temple. He graduated from Snyder High School after earning all-district honors for John Conley (now the athletic director at Texas Tech). James played offensive and defensive tackle for Grant Teaff at McMurry.

He hold a bachelor's degree from McMurry in physical education and a master's from Trinity University in San Antonio.

In 1983, James coached Ervin Randle to all-Southwest Conference recognition.

He is married to the former Lina Kincaid and the couple has four children: Kent, 22, Kyle, 18, Kristy, 15 and Dena, 14.

BILL LANE
Tight Ends

Bill Lane is in his sixth year as Baylor's tight end coach. Described by Grant Teaff as "a coach's coach," he's also served Baylor as offensive line and defensive end boss.

Along with Cotton Davidson and Wade Turner, Lane has been on Teaff's staff at Baylor the longest.

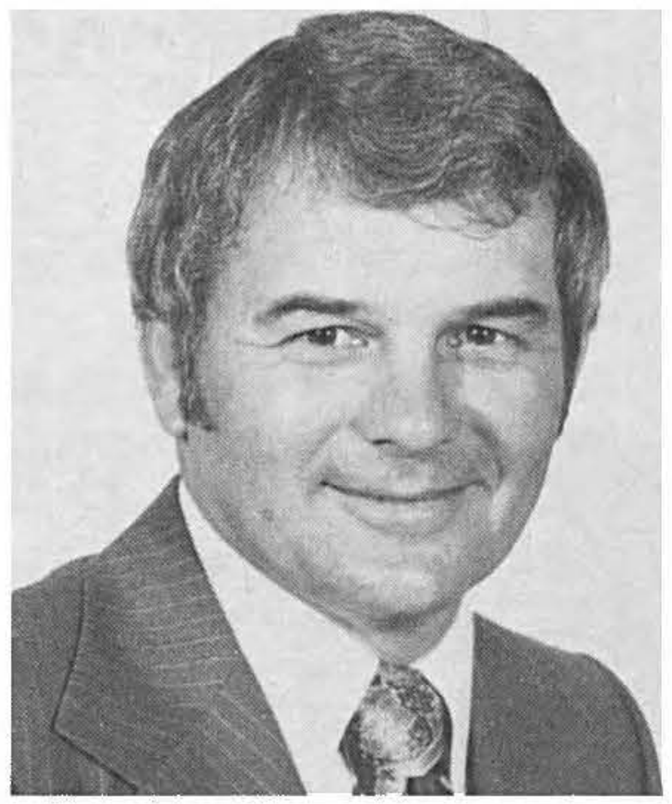
Lane, 51, was born, on May 26, 1933, in Tioga and graduated from Denison High School in 1951. At Denison, he played football for Les Cranfill, performing at the center and linebacker spots. Lane lettered two years at San Angelo College (1951-52) and also earned a pair of letters at Stephen F. Austin State University (1955-56). Bill was awarded his bachelor's degree in 1957 and in 1963 received his master's at East Texas State University.

From 1964-68, Lane was head football coach at Daingerfield High, where he won the class AA state title in 1968. Lane's combined record at Daingerfield was 37-5. In 1969, Lane moved to Angelo State as an assistant and stayed through the '71 season. At Angelo State, Lane was on Teaff's staff and coached track.

He made the move with Teaff from Angelo State to Baylor in 1972.

Bill married Barbara Stanfield of Tyler on December 22, 1956. The couple has two sons: Kirk, 26 and Kyle, 20, an offensive lineman at Baylor who lettered last year.

WADE TURNER
Offensive Backs and Recruiting Coordinator



In 12 seasons as an assistant at Baylor, Wade Turner has coached seven Bears to all-Southwest Conference honors.

From 1972-1978, Turner tutored Baylor's defensive backs and helped Tommy Stewart, Gary Green, Ron Burns and Ken Quesenberry to all-league honors. Since taking over the offensive backfield in 1979, he's had three pupils chosen the best at their position—Walter Abercrombie, Dennis Gentry and Alfred Anderson. In 1980, Turner was appointed recruiting coordinator by Head Coach Grant Teaff.

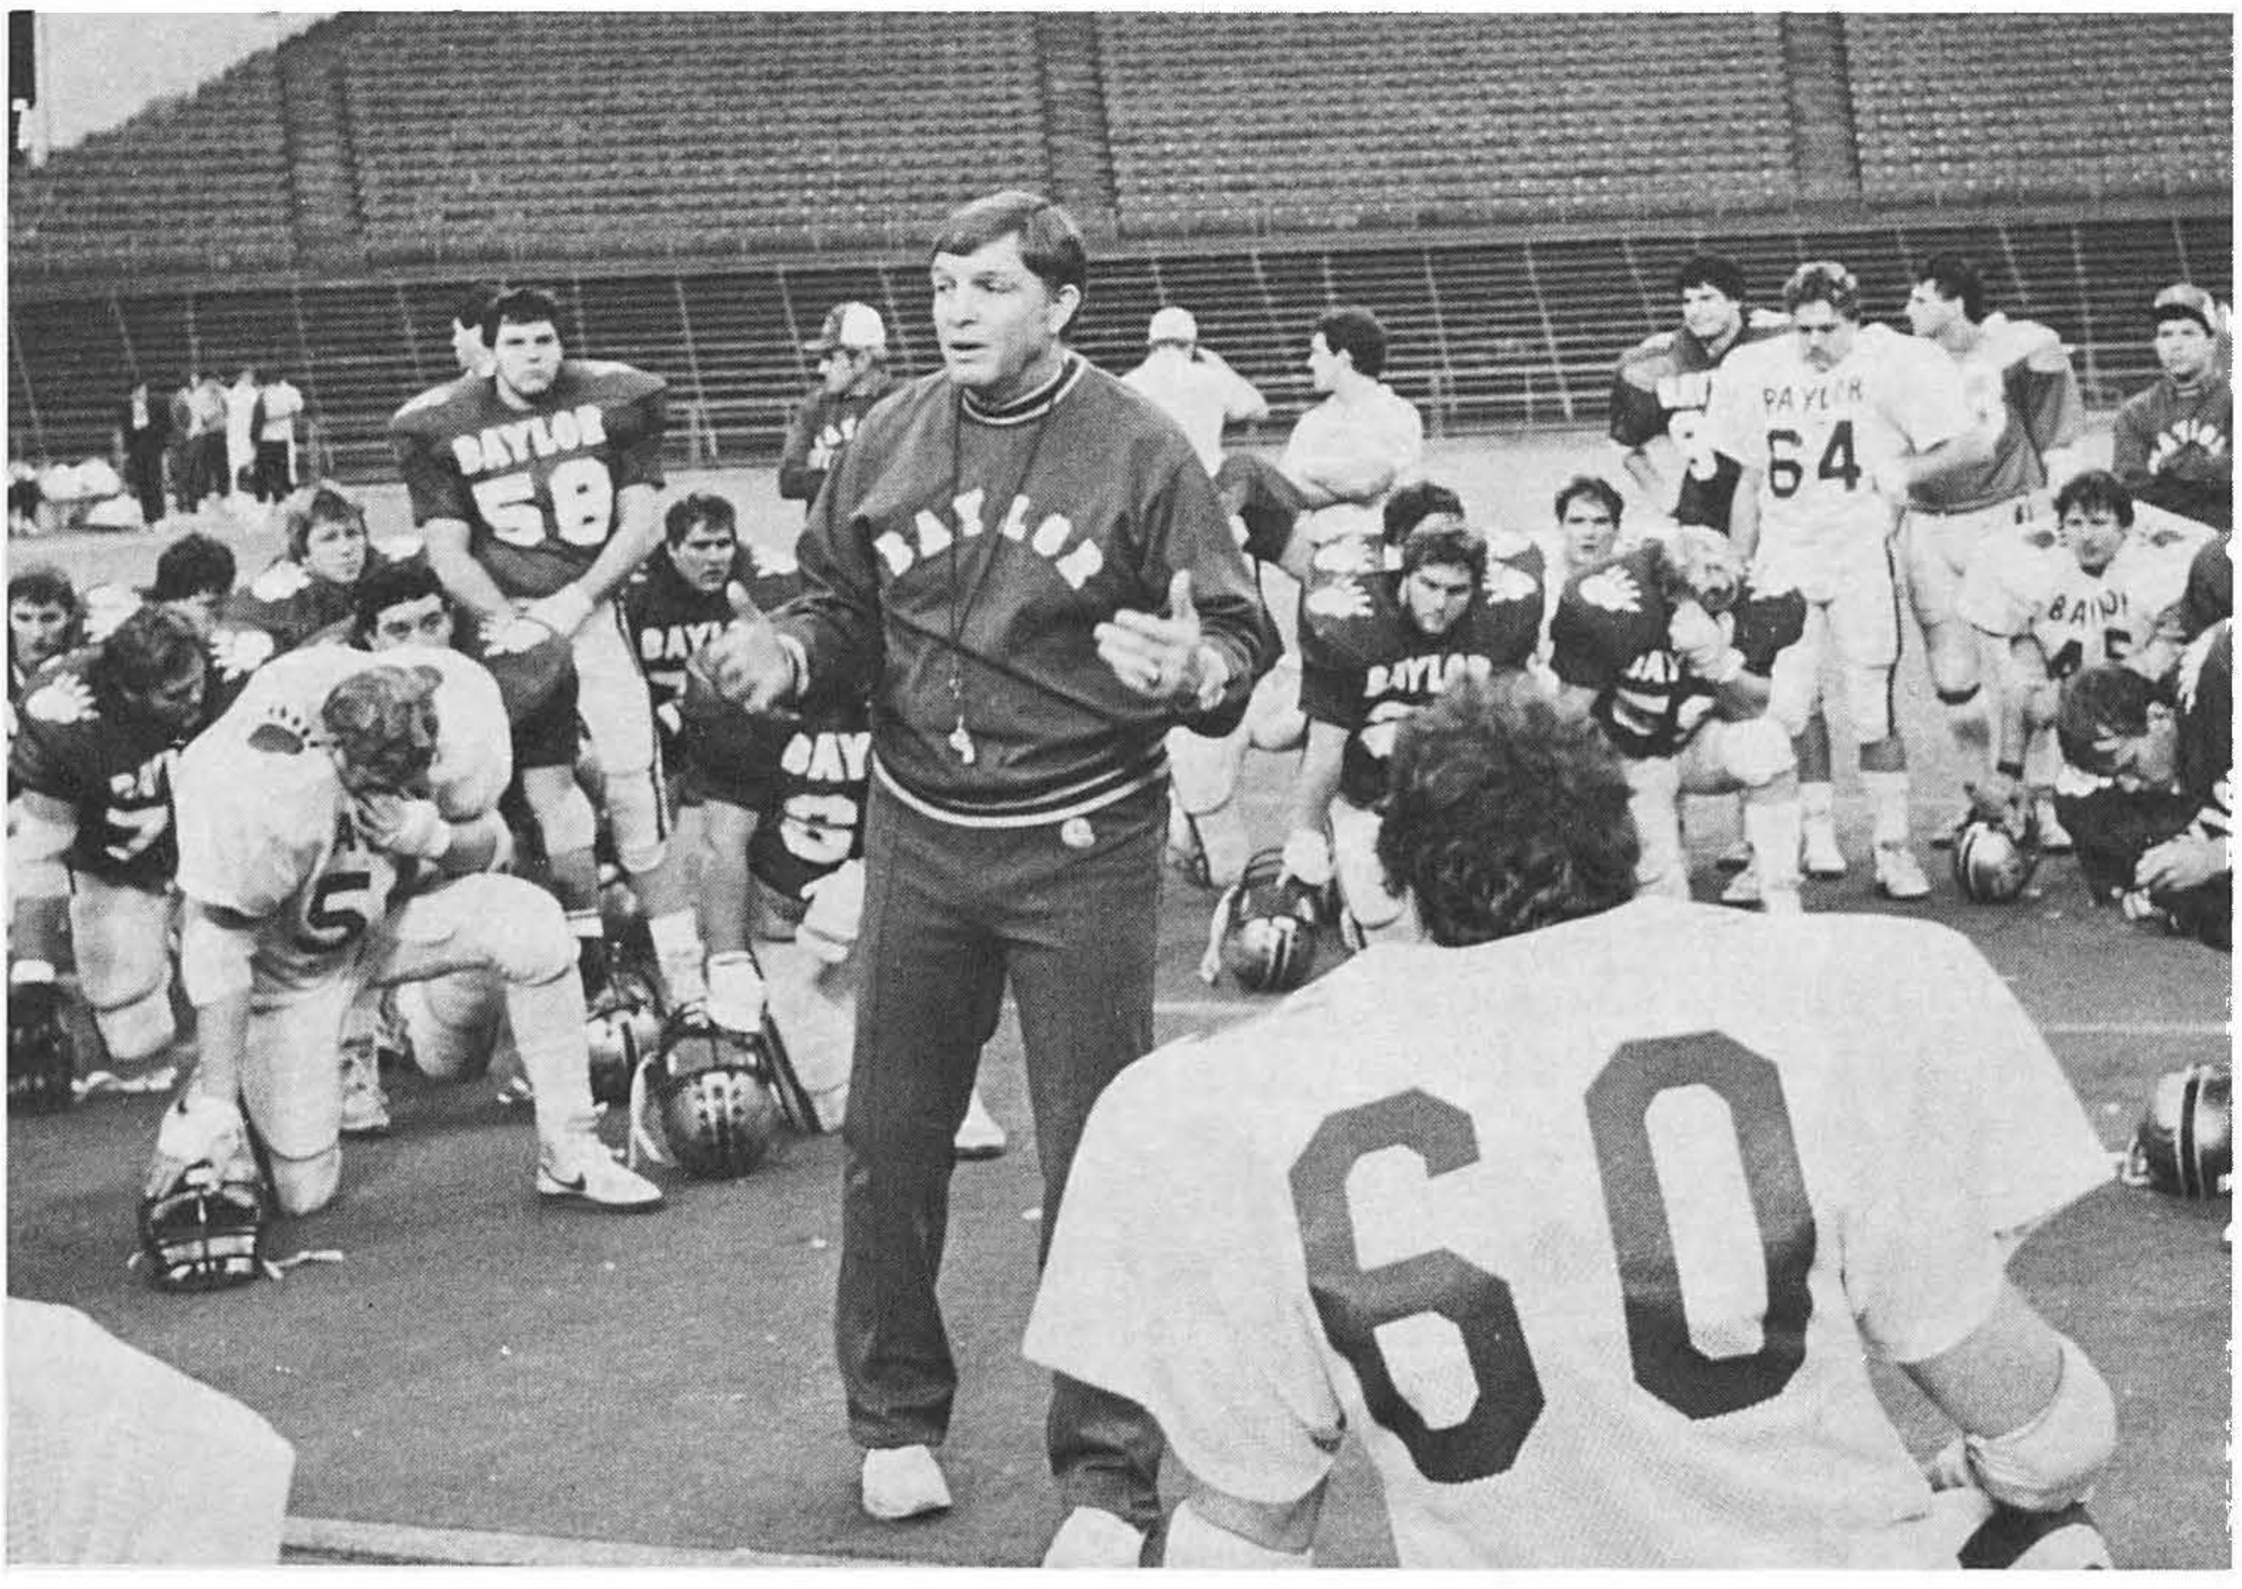
Turner, 49, was born August 6, 1935, at Brady. He graduated from Brady High in 1953 after lettering in football, basketball and track. Turner earned all-district honors in football as a halfback his senior year.

Turner enrolled at San Angelo JC and played for Max Bumgardner. He was an all-conference and honorable mention all-America performer at San Angelo before transferring to Stephen F. Austin. Wade earned his bachelor's degree from Stephen F. Austin in 1953 and received his master's six years later in Nacogdoches.

From 1959-1964, Turner served as defensive back coach at San Angelo JC. When San Angelo became a four year school in 1964, Turner remained on the staff and continued to coach the secondary until 1971. He doubled as golf coach from 1969-1971 and led the Rams to eighth place nationally in 1970.

Turner followed Teaff to Waco in 1972.

Wade married Madonna Hives of Henderson on July 25, 1959. The couple has two daughters: Kimberly Denise, 22 and Allison Paige, 19.



DR. HERBERT H. REYNOLDS
PRESIDENT OF BAYLOR UNIVERSITY

Herbert H. Reynolds was born 53 years ago at Frankston, Texas, and was educated in the public schools of Texas. Over the six-year period from 1946 to 1952, Reynolds combined a four-year tour of active Air Force service and attendance at Trinity University from which he received his Bachelor of Science degree.

From 1952 to 1956 Reynolds served in long-range planning, personnel and technical advisory positions both in the United States and the Far East, and he also completed special studies at the University of Denver and the Air University. In March, 1956, Reynolds came to Baylor where, over the next five years, he once again combined active service as an Assistant Professor of Air Science with a Baylor Psychology Teaching Fellowship to earn both the Master of Science and Doctor of Philosophy degrees in Experimental Psychology. Thus, at age 31 he had completed thirteen years of active Air Force duty and held three earned degrees.

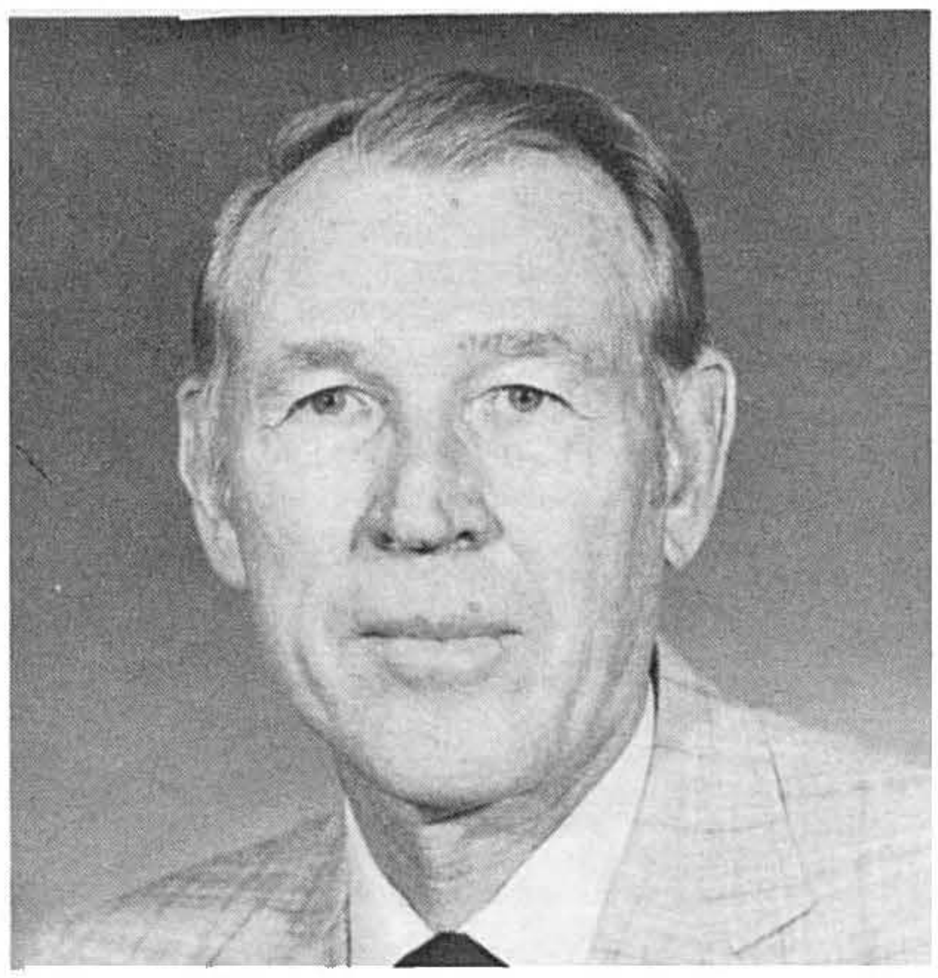
Dr. Reynolds was on his way in 1961 to join the faculty of the Air Force Academy when he and his family were diverted to the Aeromedical Research Laboratory at Alamogordo, New Mexico, to become part of a unique research effort associated with the space program. Over the next six years Reynolds was successively Chief of the Comparative Psychology Division, Director of Research and Deputy Commander of this diverse and highly complex laboratory which evolved into the foremost research program of its kind in the world (supporting the NASA, the Food and Drug Administration, the Defense Department, the National Institutes of Health, and collaborating with scientists around the world in biomedical investigations). In the midst of producing some fifty publications and maintaining flying status as an Aviation Psychologist, Dr. Reynolds also served as an adjunct graduate faculty member of both Baylor and the University of New Mexico.

During the last year of his active Air Force service, Dr. Reynolds was made the establishing Commander of the Air Force Human Resources Research Laboratories from which he retired in 1968 after twenty years of active duty. Prior to returning to Baylor in March, 1969 as its senior vice president, Reynolds was a consultant to General Dynamics Corporation. He has served as Executive Vice President and Treasurer (1970), Executive Vice President and Provost (1973), and Executive Vice President and Chief Operating Officer (1978) of Baylor and became the President of the University on June 1, 1981. He also holds a tenured University Professorship of Psychology, Management and Higher Education.

Dr. Reynolds is a trustee of the Baylor College of Dentistry, a trustee of the Southern Baptist Annuity Board, a director of the National Association of Independent Colleges and Universities, First Federal Savings and Loan Association, the Community State Bank and Chamber of Commerce of Waco, is a deacon and former deacon chairman of First Baptist Church of Waco and is a 32nd degree Mason. He is a member of other boards, a number of honor and professional societies and is listed in Who's Who in America, Who's Who in the South and Southwest, Who's Who in Science and Who's Who in Education.

Dr. Reynolds and his wife, Joy, who is also a Baylor graduate, have had two sons graduate from Baylor and marry Baylor women. Their daughter Rhonda is also a Baylor graduate who is presently pursuing an M.B.A. degree. They have two grandchildren, Jonathan and Melinda.

BILL MENEFEE
Athletic Director



Overseeing the entire operation of Baylor's intercollegiate athletic program is Bill Menefee, now in his fifth year as athletic director.

Menefee, who succeeded Jack Patterson on September 1, 1980, came to Baylor in 1947 as a physical education instructor and assistant basketball coach. His Baylor Cub freshman basketball teams went 68-50 in ten seasons. The Bear varsity squad captured four Southwest Conference championships while Menefee worked as Bill Henderson's aid.

With Henderson's retirement in 1961, Menefee took over the Bear coaching reins. His first team was 4-20 and the Bears were 18-54 after Menefee's first three seasons. In 1965, the Bears vaulted to a second place finish in the SWC and a 15-9 record. Baylor enjoyed seven winning seasons over the next eight years.

Menefee won Southwest Conference Coach of the Year honors following the 1965, 1968 and 1969 campaigns. Baylor finished second in the conference each of those seasons, despite pre-season predictions that tabbed his teams for lower finishes.

Throughout Menefee's coaching career, he was regarded as an outstanding teacher. During his tenure, Baylor's tallest player stood only 6-feet-7. Menefee continuously and effectively countered this liability, usually by giving opponents fits with a tenacious full-court press.

In 12 years (1961-73), Menefee coached the Bears to 149 wins and 144 losses.

Currently, Menefee is involved in helping the Baylor Athletic Department reach its goal of gaining $25 million in Athletic endowment by 1993. His goal is to have 200 scholarships endowed over a ten year period. As of April 1st, Baylor had secured 62—well ahead of the prescribed pace.

A native of Grand Falls, Menefee earned all-America honors in 1943 at North Texas State as a forward. He served as captain of the Eagles two seasons and led NTSU to a third place finish in the NAIA National Tournament his senior year.

He is married to the former Dorothy Winford, a Dallas native, and they have two children—Pete, an attorney in Jacksonville and Mrs. Carol Spear, a special education teacher in Waco. They have three grandchildren.

Menefee plays a mean game of tennis in his spare time and also enjoys fishing now and then.

EDWIN HORNER

Southwest Conference President
Baylor Athletic Council Chairman

Baylor School of Law professor Edwin Horner serves Baylor as its Athletic Council chairman and is the school's faculty representative to the Southwest Conference. He is currently the Southwest Conference president.

Baylor's faculty representative to the SWC since 1968, Horner has the longest tenure of any member on that governing board.

The Davis, Oklahoma, native, graduated in 1937 from the University of Oklahoma. During the next few years Horner served four years in the Air Force and was employed as a businessman.

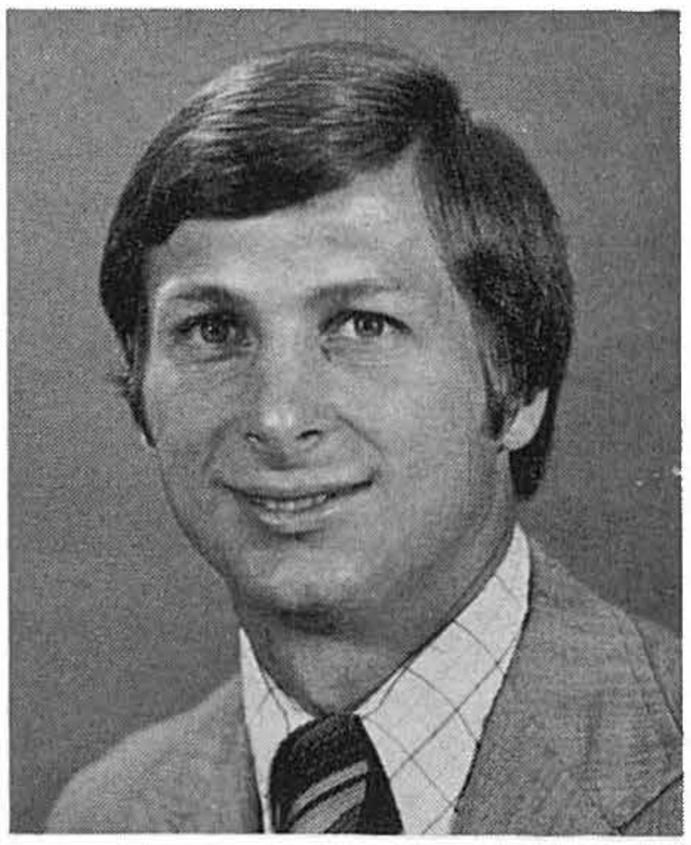
In 1948 he graduated from the Southern Methodist University School of Law and was immediately asked to join the Baylor faculty.

In 1960 Horner moved to San Antonio to work as a bank trust officer but he returned to Baylor in 1968 where he has been since. Horner, who is the Mills Cox Professor of Law, teaches contracts and oil and gas law classes.

Horner and his wife, Mary Arden, have three children: Suzanne Berry, of Belton; Robert, a Certified Public Accountant in St. Paul, Minnesota; and Claudia, who lives in Allen.

DAVID TAYLOR

Associate Athletic Director



Associate Athletic Director David Taylor handles most of the business matters of the athletic department and assists athletic director Bill Menefee in administrative matters.

He became Baylor's first associate athletic director in 1981 after serving as assistant athletic director five years.

Taylor, a former ticket office employee while a student at Baylor, has earned the respect of Southwest Conference and Baylor administrators through his work under former athletic director Jack Patterson and Menefee.

Taylor is a 1966 graduate of Pampa High School, where he reportedly bullied classmate Randy Matson. He finished work on his B.A. degree from Baylor in 1972 and served as Patterson's administrative assistant until May of 1974. He received his Certified Public Accountant certificate that year and entered private business in Waco.

In 1975, the position of assistant athletic director was created and Taylor returned to Baylor's athletic department.

Taylor enjoys running in his spare time. He is married to the former Brenda Ross, a Baylor graduate, of Waco. The couple has two daughters: Mary Katherine, seven and Kristen, five.

MARIE ABEL
Assistant Athletic Director

Marie Abel, who is in her 33rd year of service to Baylor University, was named assistant athletic director in 1981. She is in charge of office management, travel arrangements, game-day operation and ticket sales at Baylor.

Abel has long been recognized as one of the outstanding individuals in her field. In 1981 she received the prestigious Athletic Business Manager of the Year Award from the National College Athletic Business Managers Association (CABMA). In 1982 she became the first woman president of that organization.

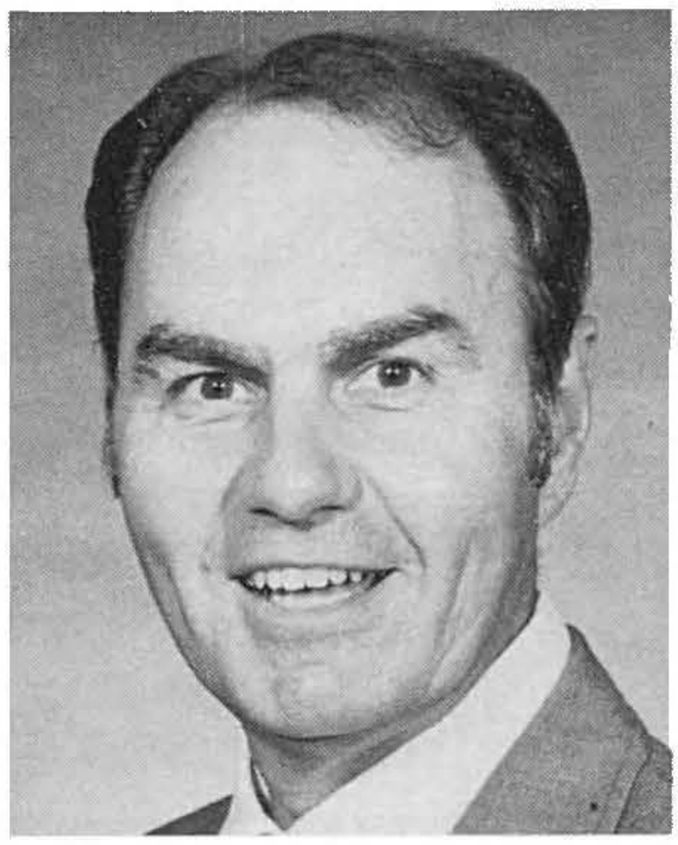
Abel, a native Wacoan and former Baylor student, began working for the university in 1948. She held a position in the registrar's office two years and in 1950 took a leave of absence while her husband was in the service.

She returned to Waco in 1953 and started working in the Baylor alumni office. She then took a job in the university's purchasing and budget department before joining the athletic department in 1961.

She has worked under four Baylor athletic directors since then: John Bridgers, Bill Henderson, Jack Patterson and current BU head man Bill Menefee.

Marie has four children: Jim, a businessman in Corpus Christi; John, a businessman in Waco; Mrs. Janet DeClue, a businesswoman in Temple; and Mrs. Judy Linder, a businesswoman in Austin. She also has two grandchildren: Shannon, seven, and Sarah, four.

FRANK FALLON
Coordinator of Broadcast Activities



Frank Fallon, 54, became Baylor's first coordinator of broadcast activities in March, 1983.

The broadcasting veteran handles radio and television negotiations for Baylor's athletic department.

Fallon is well known to sports fans throughout the state. He serves as play-by-play announcer for Bear football and basketball. Fallon has also called the Southwest Conference TV Game of the Week during basketball season since 1968.

After beginning his career in 1948 at KITE in San Antonio, Fallon was drafted in 1951 and fought with tank troops in the Korean War. In 1953 he joined KWTX and spent 28 years with the Waco station.

On May 1, 1981, Fallon became an instructor in Baylor's Oral Communications Department and was appointed general manager of KWBU. The same year he was honored as Texas' sports broadcaster-of-the-year. Fallon has announced SWC football since 1955 and worked for the Houston Oiler radio network from 1961-1964.

Fallon is currently heard on four stations in the Waco area and is host of a syndicated statewide radio show. Each March Fallon performs public address duties at the NCAA basketball championships.

Frank was born on June 16, 1930, in El Paso. He attended Alamo Heights High in San Antonio before enrolling at Baylor. Fallon is married (wife, June) and has four sons: Steve, 31, Mark, 29, Mike, 27, and Kyle, 23. Steve is sports director at KVET in Austin.

T. C. (Skip) COX

In his 12th year as Baylor head trainer is the popular Skip Cox, who came to Baylor in 1973 from North Texas State University.

Cox, 42, is also head equipment manager for the Bears and is a past president of Southwest Athletic Trainers Association. He is a current member of the National Athletic Trainers Association and is licensed by the State of Texas for athletic training.

Since coming to Baylor, Cox has been instrumental in the placement of former student trainers. From 1965 to 1967, Cox was head trainer at Amarillo Palo Duro High School and later moved for one year, 1967-68, to Odessa High School. North Texas State hired Cox in 1968 as its athletic trainer, a position he held through 1972.

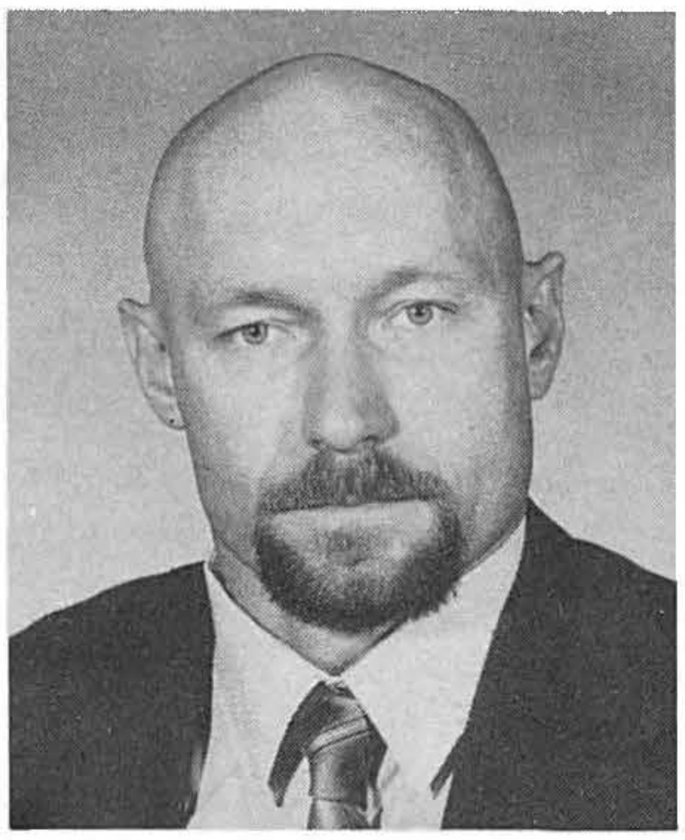
Cox married Linda Kay Stone on August 26, 1962, and the couple has two daughters—Shannon, 20, and Gailey, 15, plus three sons—Troy, 18, Kyle, 17, and Jeffrey, 13.

BOB FIX
Strength Coach



When a newspaper survey taken last football season revealed that Baylor had by far the strongest football players in the Southwest Conference, it came as no surprise to the man in charge of Baylor's strength program, Bob Fix.

Employing the most advanced techniques and one of the finest weight training facilities to be found anywhere, Fix has put the Bears on a strength training program second to none.

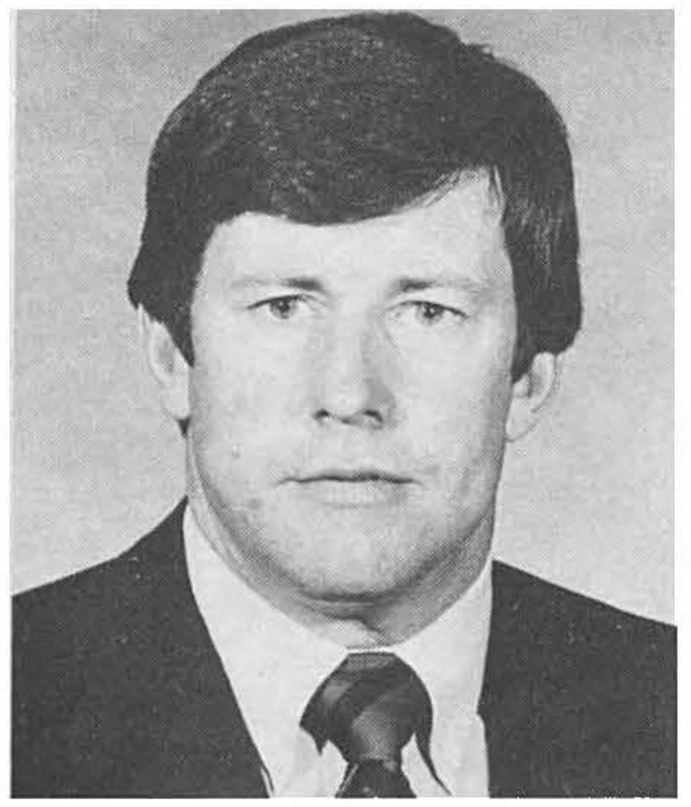
Fix, who joined the Baylor staff on a full-time basis in 1982, was born December 14, 1946, in Detroit, Michigan. He graduated from Carsonville High School in 1965. In high school, Fix was a four-sport letterman.

In 1965, he enrolled at Western Michigan University and played linebacker there for coach Bill Doolittle. Fix earned his bachelor's and master's degrees from Western Michigan in 1970 and 1971.

From 1971 through 1974, Fix was the head football coach at Port Sanilac High in Carsonville, where he had a 19-6 three-year record. His 1973 outfit was district champion, and two years later, Fix came to Baylor as part-time strength coach. He returned to Michigan in 1979 as an assistant coach at Mount Clemons' Chippewa Valley High School. In 1980, Fix bounced back to Texas to coach at Waco Midway Junior High.

Fix married Karen Corp of Carsonville on December 26, 1966, and the couple has two sons, Robert, 16, and Matthew, 11.

ED MOONEY
Academic Counselor



Ed Mooney became Baylor's first full-time academic counselor in March of this year.

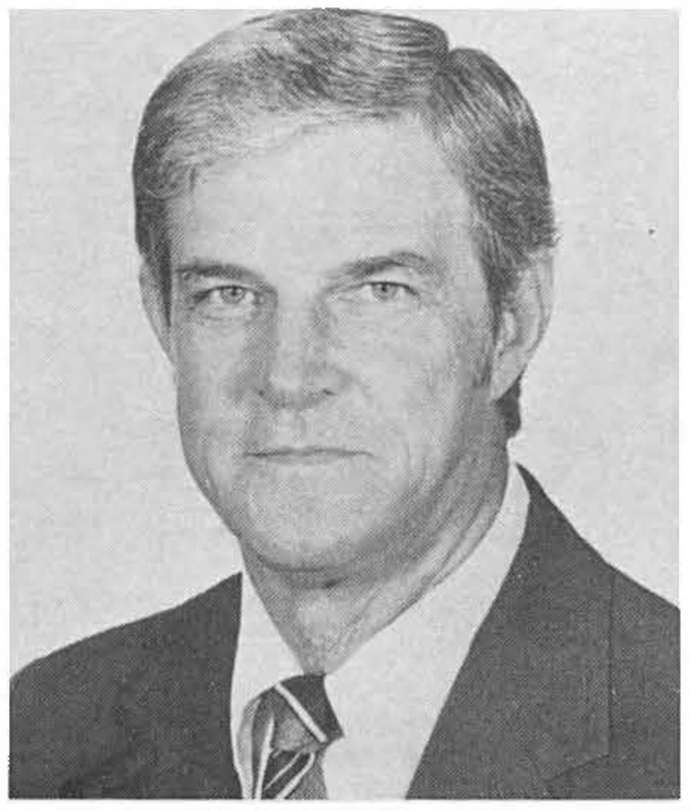
Mooney came to Waco from Texas Tech University, where he spent four years in the same capacity.

A native of Wallkill, New York, Mooney played football for two years at Scottsbluff Junioir College in Nebraska before transferring to Tech on a track scholarship. While a Red Raider, he lettered three years in track and set school records that still stand in the shot put and discus. Mooney played on Texas Tech's 1966 and 1967 football teams, earning all-Southwest Conference and honorable mention all-America honors at linebacker his senior year.

Mooney was drafted in the fourth round by the Detroit Lions after playing in the East-West Shrine game. He completed work on his bachelor' s degree at Tech in 1968. After playing five years at Detroit and two seasons at Baltimore, he returned to Lubbock to enter private business. Mooney was area representative for the Fellowship of Christian Athletes five years before joining the Tech staff.

Ed and his wife Sharan have four daughters: Anne, nine; Amanda, seven; Allison, five and Angela, two.

NORMAN (Moon) MULLINS
Athletic Promotions Director and Executive Vice President, Bear Club



Norman (Moon) Mullins became Athletic Promotions Director and Executive Vice President of the Baylor Bear Club on September 1. He replaced the legendary M.A. "Catfish" Smith, who served Baylor as a coach and administrator for 25 years.

Mullins spent nine months as Smith's assistant before his appointment.

Mullins joined the Baylor staff in 1981 as a member of the Development Department of External Affairs.

A graduate of Carlisle High School, Mullins attended Baylor on a basketball scholarship. He earned three letters in basketball and two in track. Baylor Stadium History

This fall marks the 35th year of Bear football in Baylor Stadium.

Completed in the summer of 1950, continued renovations and improvements over the years have given BU a facility among the finest in the Southwest Conference.

Before 1950, Baylor played its home games at Municipal Stadium on Dutton Street. Municipal Stadium had a capacity of just 14,000-20,000 if end zone bleachers were set up. A group of Bear supporters decided Baylor needed a home field of its own and established the Baylor Stadium Corporation.

The corporation launched a bond sales program and was able to raise the $1,500,000 needed to complete the stadium. The last of the bonds was retired on March 1, 1980.

AstroTurf was first installed in 1972 and a new surface was put down before Baylor's SWC championship season in 1980. During the '70s, the beautiful Bear Club and Lettermen's Lounges were added on the west side of the stadium. A locker room, extra meeting rooms and a new weight room were also built. BU's press box has been air conditioned since the summer of 1983.

Baylor beat Houston, 34-7 in the first game at Baylor Stadium. Its first SWC win at the site was over Texas A&M (27-20). The largest crowd ever was 51,200 at Baylor's 20-0 loss to A&M in 1974.

After the '83 season, BU stood 95-66-6 in games at Baylor Stadium.

MASCOT STORY

. Back in the 1920s, Baylor University received its first live mascot from troops of the 107th Engineers, a unit of the 32nd Infantry Division, which was stationed in Waco.

The bear, named Ted, made his first appearance at a Baylor-Texas A&M game, and when the unit got its order to move, the bear was left in the hands of the Athletic Department. Since then, the use of bears at home football games has become as much a fixture as football players, cheerleaders and bands.

Every two years the university gets a new bear because they get too big and become hard to control. Most of the mascots are North American black bears, a species that seems to adapt well to people.

All the bears are kept at the Hudson Bear Plaza, built near the Bill Daniel Student Center. They are sponsored by the Baylor Chamber of Commerce, a service fraternity on campus.

The mascots for the 1984 season will be Judge Pepper, an 18-month old North American black bear that Baylor received from Colorado, and Judge Grady, a six-month-old American black bear that was donated to Baylor from Bear Country U.S.A. in South Dakota. Bear trainer is Jasper senior David Kipp.

BAYLOR-20 Wake Forest-7

BAYLOR	6	14	0	0-20
Wake Forest	0	0	7	0- 7

Although edged in the final statistics, coach Bob Woodruff's Baylor Bears won the first bowl appearance in the school's history by defeating Wake Forest 20-7 in the second annual Dixie Bowl.

Wake Forest, although gaining 277 total yards compared to Baylor's 212, fell behind 20-0 at halftime to the upstart Bears and could never seriously threaten the 6-3-2 victors.

Bear defender George Sims recorded the game's first turnover when he intercepted a Deacon pass in their first possession and returned it 52 yards to the Wake Forest eight yardline.

Sammie Pierce, who averaged 13.1 yards a carry against the 6-3 Deacons, scored the first touchdown from a yard out and Jerry Mangrum scored from the same distance in the second quarter to give Baylor a 13-0 lead.

The Bears increased the margin to 20-0 off a 68-yard drive, highlighted by a Pierce 40-yard romp. Quarterback Ray Painter, who had attempted only seven passes during the regular season, passed the final 12 yards to Harold Riley for the score. Hank Dickerson added his second PAT for the day.

All-America quarterback Adrian Burk completed five passes for 69 yards, with two of the completions going to Riley. James Parker also hauled in a Burk aerial for 23 Baylor yards.

Pepper Rodgers kicked a 13-yard field goal with three minutes remaining to give Georgia Tech a 17-14 come-from-behind victory over Baylor in Miami's Orange Bowl contest.

Tech scored 10 fourth quarter points on Rodgers' effort and a Buck Martin touchdown reception, while holding Baylor scoreless to nip the 8-1-1 Bears.

Bear fullback Dick Parma scored the game's first touchdown from a yard out and C. O. Brocato added the PAT as Baylor led 7-0 in the first quarter.

After Tech knotted the score at 7, Baylor drove 63 yards, capped by Jerry Coody's four-yard scoring blast, to give the Bears a 14-7 halftime margin.

Coody was the team's leading ground gainer during the regular season, picking up 570 yards on 125 carries.

But, coach Bobby Dodd's Tech squad used Rodgers and Martin's last quarter heroics to take their comeback win.

The Orange Bowl loss was Baylor's second of the 1951 season, the first coming at the hands of TCU 20-7.

Larry Isbell, who threw for 1430 yards during the regular season, attempted 18 passes against Georgia Tech, completing eight for 93 yards. Parma was the contest's top ground gainer with 107 yards on 19 attempts.

All-America end Stanley Williams, who caught 37 regular season passes for six touchdowns, and Harold Riley each caught three Isbell passes. And defensive back Robert Reid, who established a school interception record with 11 regular season swipes, intercepted one pass from Tech quarterback Darrell Crawford.

Thirteenth-ranked Auburn scored five of the first six times they touched the football on their way to a 33-13 thrashing of Baylor in the 1955 Gator Bowl.

The Tigers, who established three Gator Bowl records and tied another in the rout, outgained Baylor 476 to 239 in total yardage.

Bear all-conference halfback Del Shofner fumbled the opening kickoff and the Tigers recovered on the Bear 27 yardline. Five plays later, Auburn scored the game's first touchdown and led 7-0.

Baylor tied the game by driving 63 yards in nine plays, the majority coming off a Billy Hooper pass to Charles Smith. Fullback Reuben Saage scored from a yard out and Smith kicked the conversion to tie the game at 7.

But before Baylor scored again, Auburn led 27-7.

Joe Childress, the game's leading yard gainer with 134 steps, scored his second touchdown of the game and Bob James added a 43-yard scoring jaunt to give Auburn a 21-7 halftime edge.

Tiger quarterback Bobby Freeman gave his squad a 27-7 lead on a six yard romp.

All-America halfback L. G. (Long Gone) Dupre butted his way for a 38-yard scoring play to cut the lead to 27-13 midway through the third quarter. Dupre, the Bears' third leading rusher during the regular season behind Shofner and Allen Jones, finished his team's leading rusher against the Tigers with an amazing 69 yards.

Freeman completed the scoring with a four-yard fourth quarter pass to end Jimmy Long.

Hooper, an all-conference honoree, finished with nine completions in 15 attempts for 112 yards, with four of the aerials going to Smith.

Dupre returned three Auburn kickoffs for 85 yards as the Bears finished 7-4 for the season. Shug Jordon was the winning Auburn coach while George Sauer saw his Bears go down to defeat.

Reuben Saage recovered Tennessee All-America halfback Johnny Majors' fumble of a Del Shofner punt and Baylor then drove 15 yards for the winning touchdown in the Bears' 13-7 upset win over the undefeated Volunteers in the 23rd annual Sugar Bowl.

Bear quarterback Buddy Humphrey scored the winning touchdown on a one-yard sneak and Don Berry added the conversion for the 9-2 Bears of coach Sam Boyd.

Baylor scored first, despite being a one-touchdown underdog, when quarterback Bobby Jones threw a 12-yard scoring strike to Jerry Marcontel in the second quarter.

But Majors, who averaged 5.1 yards per rush, completed better than 60 percent of his passes and punted for a 42.3 yard average during the regular season, gave the Volunteers the lead in the third quarter by reaching paydirt from a yard out. Sammy Burklow added the PAT and Tennessee led 7-6.

After the Volunteers held Baylor on their possession of the fourth quarter, Shofner punted to the Tennessee eight. Majors returned the kick seven yards before coughing up the pigskin and Saage was there to make the big play for Baylor.

The contest matched the Southeastern Conference champion Vols against Baylor, who suffered a 7-6 loss to Texas Christian and a 19-13 setback to Texas A&M during the regular season.

Tennessee and coach Bowden Wyatt swept through a 10-game schedule in which they conquered five teams that participated in bowl games New Year's 1956. Only seven points separated Baylor from an unbeaten record.

Baylor halfback Del Shofner, running behind an offensive line headed by all-America Bill Glass, finished with 88 yards rushing in 14 carries and also intercepted one Volunteer aerial. For his play, Shofner, who scored ten touchdowns during the regular season, was voted the game's outstanding player.

Bobby Peters contributed 60 yards rushing for Baylor while Saage added 39 steps. Bear quarterbacks Humphrey, Bobby Jones and Doyle Traylor could only complete three passes, all going to end Morcontell.

Peters added 54 yards in kickoff runbacks.

Coach John Bridgers' pro-modeled Spread-T Baylor offense could muster only two touchdowns against a swarming Florida defense as the Gators took a 13-12 decision in the 16th annual Gator Bowl.

On the Bears' first possession of the second quarter, a pitchout from quarteback Ronnie Stanley to all-American halfback Ronnie Bull was mishandled and Florida's Chet Collins recovered on the Baylor 20 yardline.

It took the Gators five plays to score and fullback Don Goodman plunged the final three for the tally. Bill Cash added the conversion and Florida led 7-0 with 8:42 remaining in the half.

Coach Ray Graves' squad extended their lead to 13-0 later in the same stanza when Gator defender Ronnie Slack recovered a Stanley fumble in the endzone for the quick six points.

Florida traveled 20 yards for their two scores while Baylor went 139 steps for the same results.

Down 13-0 in the fourth quarter, the Bears, who finished 8-3, put forth a furious surge that resulted in 12 points.

On the first play of the quarter, quarterback Bobby Ply threw 11 yards to Ronnie Goodwin for the score, ending a 71-yard, nine play drive.

With 1:01 remaining, Ply, who threw for four touchdowns during the regular season, and Stanley put the Bears in position to score with three completed aerials. Bull, Baylor's leading rusher and scorer, went the final three steps for the score. However, the two point try from Ply to Goodwin was juggled and dropped and the Gators had their hard-earned victory.

Ply established a new Gator Bowl record with 12 completions and teamed with Goodwin (seven receptions) for five.

Eight Utah State turnovers and outstanding performances by halfback Ronnie Bull and sophomore quarteback Don Trull led Baylor to a 24-9 victory over Utah State in the inaugural Gotham Bowl at the Polo Grounds.

Baylor recovered their first of five Utah fumbles and went 45 yards to score the first time it had the ball. Bull, who had 86 total yards and was voted the game's Most Valuable Player, scooted 15 yards for the initial Bear touchdown.

In the second quarter, Carl Choate kicked a 22-yard field goal for Baylor and Trull added the third score on a quarterback sneak covering two yards. Trull, who passed for 116 yards against the nation's number two defensive unit, connected with Ted Plumb for a 38-yard fourth quarter touchdown pass to end Baylor's scoring.

Choate was perfect in three extra point tries and Bull and Plumb combined for seven pass receptions.

Utah State, who entered the game with a 9-0-1 mark and a share of the Skyline Conference championship, was favored to beat the coach John Bridgers' led Bears, who finished with a 5-5 regular season slate.

Coached by John Ralston, the Aggies featured three standouts who later starred in professional football; all-American tackle Merlin Olsen, quarterback Bill Munson and placekicker Jim Turner.

Quarterback Tom Shuman established Cotton Bowl records in passing and total offense and flanker Jimmy Cefalo did likewise in receiving yards in Penn State's 41-20 decision over Baylor in the 1975 classic.

For the fifth time in their 10-victory 1974 season, the Lions came from behind to win. The victory spoiled Baylor's first appearance in the Dallas event, coming off the heels of the school's first Southwest Conference championship since 1924.

Baylor captured a 7-0 first quarter lead with Steve Beaird's four yard blast. Bubba Hicks added the PAT conversion with 44 seconds remaining in the opening quarter.

A Matt Bahr 25-yard field goal closed the Bears' lead to 7-3 at intermission.

After the Nittany Lions took their first lead off Tom Donchez one-yard blast, all-conference quarterback Neal Jeffrey put Baylor ahead 14-10 with a 35-yard scoring toss to end Ricky Thompson.

Three touchdowns, two by Cefalo and one by Shuman, and another Bahr field goal gave Penn State a 34-14 lead with 3:32 remaining. But the Bears, who finished 8-4 for the year, refused to fold and with 19 seconds left reserve quarterback Mark Jackson teamed with Thompson for a 11-yard touchdown.

On the ensuing kickoff, Hicks tried an onside kick only to watch Lion Joe Jackson scoop up the loose pigskin and race 50 yards for another Penn State score with two seconds left.

Baylor junior safety Ken Quesenberry, who had 12 tackles and one interception, was named the game's most Outstanding Defensive Player. Defensive back Tom Turnipseede added 11 tackles for the Bears and also recovered a Donchez fumble.

Senior Phillip Kent, one of eight Baylor all-conference selections playing in the game, returned three Nittany Lion kickoffs for 58 yards.

Thompson and tight end Sam Harper each caught three passes.

Quarterbacks Mike Brannan and Mickey Elam passed for 86 yards each to spark the Baylor Bears to a 24-18 upset win over the 17th-ranked Clemson Tigers in Atlanta's Fulton County Stadium.

The win vaulted coach Grant Teaff's Bears into 14th place on the Associated Press' final college football poll. The 8-4 Bruins were beaten during the regular season by Alabama, Houston, Arkansas and Texas, all members of the top ten.

With the Tigers leading 7-0, Brannan teamed with Bo Taylor on a three-yard touchdown toss to knot the score following Robert Bledsoe's extra point. The tally came eight plays after Baylor recorded its first of two blocked punts against Clemson kicker David Sims.

The Bears forged ahead 14-7 with 12:20 left in the second quarter when Brannan, voted the game's Most Valuable Offensive Player, connected with Robert Holt for a 24-yard scoring strike.

Baylor's final ten points resulted from a Bledsoe 29-yard field goal and a scoring pass from Elam to Raymond Cockrell that covered seven yards.

Senior defensive end Andrew Melontree, voted the game's Most Valuable Defensive Player, and linebackers Doak Field and all-America Mike Singletary led a Baylor defense that held a 8-3 Clemson offensive unit to 67 yards rushing.

Elam and tailback Walter Abercrombie set a Baylor bowl record when the duo teamed for a 63 yard pass completion in the third quarter to set up Bledsoe's field goal.

Coach Paul "Bear" Bryant's Alabama Crimson Tide completely dominated Baylor in the 45th annual Cotton Bowl on their way to a 30-2 rout.

The Bears, ranked as high as sixth place in the nation during the regular season, closed an outstanding 10-2 and Southwest Conference championship campaign by dropping their second Cotton Bowl game in as many tries.

Alabama, who closed a 10-2 year with the win, took advantage of four Baylor fumbles and also intercepted three Bear passes to roll-up a 339-158 total yardage advantage.

Three Peter Kim field goals and scoring runs by Major Ogilvie, Don Jacobs and Mark Nix put the Crimson Tide on the scoreboard while a Tommy Tabor first quarter safety were the only points the Bears could muster.

The league-leading Baylor offense netted 54 yards rushing, 18 by quarterback Jay Jeffrey. SWC champion runner Walter Abercrombie was held to nine yards on eight attempts by the Alabama defense.

Fullback Dennis Gentry was the leading pass receiver in the game, grabbing five receptions while Robert Holt added three others. Also, Gerald McNeil accumulated 100 yards in kickoff and punt returns for the Bears.

Tabor and all-conference linebacker Doak Field led the Baylor defensive charge with 15 stops each. All-America middle linebacker Mike Singletary, all-league safety Vann McElroy and linebacker Lester Ward each had 12 tackles for Baylor.

Baylor, following the New Year's Day defeat, dropped to 14th place in the final football poll.

Oklahoma State raced to a 21-0 lead in the first half before finally holding off Baylor, 24-14 in the 25th Annual Bluebonnet Bowl at the Astrodome.

Aided by a roughing-the-passer call and fine running by Alfred Anderson and Broderick Sargent, Baylor drove 87 yards in eight plays for its first score. Cody Carlson hit all-American Gerald McNeil with a 12-yard TD strike.

Oklahoma State scored its final points of the night on a 44-yard field goal by Larry Roach after Jim Mueller's onside kick attempt failed. The Cowboys drove from midfield to Baylor's 27-yard line before settling for the field goal with 21 seconds left in the half.

Hilger missed the second half after being knocked out by BU linebacker Robert Watters and was replaced by reserve quarterback Ike Jackson. Jackson moved OSU to the Baylor five early in the third quarter but Thomas Everett, Aaron Grant and Kevin Hancock led one of BU's best defensive stands of the year. Roach's field goal attempt was blocked by Ervin Randle.

Both of Baylor's interceptions came in the last period; Tom Muecke and Cody Carlson threw one each as the Bears hurried to catch up. McNeil took a 28-yard halfback option pass from Anderson and Marty Jimmerson kicked the PAT to cut OSU's lead to 10 with 5:14 remaining. Baylor's hopes were dashed for good when Muecke was trapped for a loss of five on fourth down with 1:10 showing on the OSU 45.

Hancock led Baylor defensively with 14 tackles while Paul Mergenhagen added 10.

Anderson was selected Baylor's MVP after rushing for 103 yards on 21 carries. McNeil's 163 yards receiving tied the individual bowl record set 20 years earlier by another Bear—James Ingram.

THE SOUTHWEST CONFERENCE

Organized in 1914, the Southwest Athletic Conference arose out of special needs of the larger colleges of the section to create an organization which would further the best interests of intercollegiate athletics.

Need of higher academic standards for student athletes and of ethical standards and practices was a guideline for the representatives of seven institutions who convened in Dallas on May 6, 1914, for the purpose of founding an organization that would "enlarge and more closely relate the athletic activities of the larger institutions of the states represented." The meeting was held at the Oriental Hotel, site of the Baker Hotel today.

It was at the invitation of L. Theo Bellmont, then athletic director of The University of Texas, that the representatives from seven institutions convened in Dallas for the founding. Present for the drafting of the constitution and bylaws were C. A. Gantt and S. R. Spencer, Baylor University; J. C. Snipes, Southwestern University; John Corbett, Oklahoma A&M College; Robert J. Potts, Texas A&M College; T. W. Atkinson and J. F. Broussard, Louisiana State University; D. K. Sadler and R. J. Nelson, University of Arkansas; Dr. W. T. Mather and Bellmont, The University of Texas.

The founding fathers met for a second time at the Rice Hotel in Houston on December 8, 1914, and completed the organization. Representatives from the University of Oklahoma (Ben Owen) and Rice Institute (W. W. Watkin) were present for this meeting and their institutions became charter members along with Arkansas, Baylor, Southwestern, Oklahoma A&M, Texas A&M, and Texas. Rice was accepted provisionally.

Thus came into existence the Southwest Intercollegiate Athletic Conference, which two years later (May, 1916) was to be shortened to Southwest Athletic Conference. The league encompassed representatives of only three of the five states that were included in the original planning. LSU withdrew at the organizational meeting, while the University of Mississippi failed to follow through on early indications of interest.

Composed of eight members at the outset, the Conference functioned with as few as six (1916 and 1917), had eight members in 1920, and then had seven members for 30 years (1926-55). The admission of Texas Tech in 1956 brought the membership to eight again and the admission of the University of Houston in May, 1971 set it at the all-time high of nine.

Southwestern, Oklahoma and Phillips withdrew after brief periods and Oklahoma A&M took leave after a decade of membership. SMU joined in 1918 and TCU in 1923, last additions before Texas Tech's and Houston's admission.

Ten Years Ago . . .

. . . The "Miracle on the Brazos" unfolded as the Baylor Bears won their first Southwest Conference championship in 50 years and earned the host spot in the 1975 Cotton Bowl opposite Penn State. The title ended a six-year championship domination by Texas and put Baylor football in headlines from coast to coast.
